

COBBONIAN

1960

Alice Kuent

MORRISTOWN
HIGH SCHOOL

MORRISTOWN
NEW JERSEY

DEDICATION

The Class of 1960 would like to voice its acknowledgment and thanks to Mrs. Stewart for her affectionate assistance to the students of M.H.S.

Mrs. Stewart possesses many fine personal qualities. Even-tempered and patient with all, she expresses a sincere friendliness to everyone while tempering her demands for high standards in performance and personal behavior with a keen wit and kindly sense of humor.

As a modest gesture of our appreciation of her outstanding teaching abilities, we co-dedicate this 1960 edition of the Morristown High School *Cobbonian* to her.

Mr. Percy Cowan, to you, with deep respect and great appreciation, we offer our thanks. You have taught us that getting an education can be both a worthwhile and an enjoyable experience; we are forever indebted to you.

In leaving Morristown High School, we humbly offer this dedication as a tangible expression of our thanks and our wish that you in the future will have that which you have already given us—a truly wonderful, wonderful year!

History of the

With the arrival of September, 1956, the carefree days of summer were tossed aside and we, as "green" freshmen, took it upon ourselves to embark on one of the most important and most memorable journeys of our lives.

Though, at first, confused (to put it mildly!) by all the strange faces, who soon became new found friends, complicated schedules, and pitying glances from upperclassmen, we soon became "settled" in these hallowed halls which were to be our "home base" for the next four years.

An exciting season followed—full of football games, our Freshman Dance, and the election of Officers: Stanley Vigilante, Regi Weimer, and Nancy Irish as class officers. Mr. Hughes served as class advisor.

As our Sophomore year was ushered in, we once again entered the halls of MHS—but this time with a little more experience and knowledge behind us. We walked around our alma mater with our heads high—proud to know—at long last!) our way around. With "Cap" Smith leading us, our roster of officers included Walt Morris, Henry McWhinney, Bonnie Boniface, and Tony Kipp—insuring definite success for the coming year. The big highlight of the year was our Sophomore dance, "Carousel," complete with a merry-go-round.

The year was 1958—our first step as upperclassmen and a year packed with importance. What fun it was to be among the "upper" ranks! Walt Morris once again was in the presidential seat with Tony Desimone "Rabe" and Bonnie Boniface backing him up. Mr. Lightner took on advisory duties.

We'd never forget that all-important day when we walked into the jeweler's and ordered our long-awaited class rings. A permanent part in our memories is that fabulous Junior trip to our nation's capital. In the years to come, we might forget some of the wild goings on but will Washington ever forget us? Following closely on the heels of our trip to Washington came our tremendously successful "Apple Blossom Time."

There was a serious side to this year, too. Rich Schaffer did us proud by being elected President of the Student Council. When the leadership of the *Broadcaster* was put into our hands, Ann Starrett and Loraine Botkin shared the spotlight as editors in chief. Near the end of the year we selected delegates to attend Boys' State, Girls' State, and Citizenship Conferences. Mary Sue Howe and Ann Starrett were chosen to represent MHS at the Citizenship Institute held on the Douglass Campus.

Class of 1960

But the biggest event of this star-studded year was the turning over of the Senior Stairs by the graduating class. We had finally made it! We were now officially recognized as Seniors.

"The" year had arrived. We were now Seniors—the Class of 1960. Elected to carry our class through its success-packed year were Garry Lynn Dysart, Tony Desimone, and Bonnie Bonanza (for a third term!). The senior class advisors, Mr. Symons and Miss McWhorter were always there to help us when we needed them, to guide us through this final year of our high school life.

Following a successful football season, our team having three captains, Wayne Backus, Gary "Buck" Wikander, and Eddie Henry, Shirley Vigilante was crowned Football Queen at the annual Prom.

Something new this year was added to the traditions of the Senior Class—along with those "crazy" hats, we also had class pins.

Our Senior play, "Teahouse of the August Moon," was presented in November and became a much celebrated production. Brian Gentry did a superb job as Sakini, the Japanese interpreter. We outdid ourselves in selling tickets, with Sue LaVanture and Hayward Meyers heading the list (strangely enough, both were from 203, which just *happened* to sell the most tickets!).

Lynn Dysart and Denny Taylor were chosen as coeditors of the *Cobblerman*. There followed for them and the staff a hectic year of compiling everything necessary for the final deadline.

The Senior girls picked Ann Stanett as the D.A.R. representative on the basis of dependability, service, leadership, and patriotism. John Eck handed in a stellar performance by ending up as a semifinalist in the National Merit Scholarship test.

At, too soon, the end of the year loomed around. Filled with spring fever and the giddy anticipation of graduation, we frantically planned for the last dance of our high school career—our Senior Prom. But, Ha! Following closely on the heels of this, that long-awaited day came into view. Never to be forgotten is that moment when we received our diplomas—our passports to promising and exciting horizons. Though eager to see what's in store for us in the future, we still are able to remember with deep gratitude what has been taught us since that September day in 1956. To all who had a hand in furthering our education, the Class of 1960 wishes to express its sincerest thanks.

SWING BAND

Who's that kid with glasses that's blowing tenor sax? . . . Oh, that's Mr. Schudle, director (and tenorman) for one of the most popular groups in the school . . . playing for our dancing pleasure at a number of school dances, and for our listening pleasure in the talent show and the spring "Pop" Concert . . . Help!! I can't find the alto chart for HARLEM NOCTURNE.

SENIOR BAND

Left, right, left . . . It's soooo cold out here I'll have to play this trumpet with my elbow!!!! Yes, that's the cry of our hardy Senior Band as they put on their great half-time shows at our football games . . . Again we find Mr. Schudle constantly at work molding our Senior Band into not only a fine marching band, but also a fine concert band as we all witnessed at the spring "Pop" Concert . . . A complete reversal this year, a drummer was made student director instead of simply being liquidated!!!

JUNIOR BAND

The reason M.H.S. has such a fine Senior Band is very simple—we have a fine Junior Band from which, when the members of the Junior Band become more experienced the Senior Band obtains its talented musicians . . . we have seen the Junior Band in action at our home football games and in the spring "Pop" Concert . . . and have heard Mr. Schudel's cries of anguish echoing throughout our hallowed halls during their second period rehearsal.

Under the able direction of Mr. Gerald Quinlan, the M.H.S. Orchestra has been one of the most active groups in Morristown High . . . every student has found himself stepping in rhythm to the lively marches played by the orchestra as he has filed into the auditorium for an assembly . . . or wishing that he too could go on tour as the members of the Orchestra did this year, to the local grammar schools . . . or was humming the strains of one of the lilting waltzes played by the Orchestra long after their concert on March 18 . . . All right, who's the wise guy who swiped my rosin?

"MUSICIANS THREE"

Mr. Charles Meys, Mr. Gerald Quinlan, Mr. Schudel

The Morristown High School Orchestra

SPORTS

FOOTBALL

Morristown High School presented their opponents with a truly outstanding football team. The terrific record compiled by the squad was due in no small measure to the fine coaching staff and the untiring effort of the boys on the team. Mr. Knowles, in only his second year as head coach, stated that this was one of the finest teams he had ever worked with and deserved a big "pat on the back."

Coach Knowles, who was named Morris County's "Football Coach of the Year," received a tremendous amount of assistance from his effervescent coaching staff of Mr. Eisenhart, Mr. Manken and Mr. Simmons. The proof of the genius and unsurpassed abilities of the coaches is the fact that whenever one of the starting stars was unable to play, another equally efficient player was drafted to take his place.

Furthermore, the M.H.S. school spirit has been labelled as the twelfth member of the team. Not only did the students lend their voices to the M.H.S. cause, but two anonymous boys invented the "much duplicated" placards which entertained the M.H.S. fans with pertinent data on the game. It was through this system that we learned, "The Dover Tiger has fleas!"

FROSH FOOTBALL

Coach Bob Morgan's Pony Colonials posted a 4-3 record topping Roxbury, Parsippany, Livingston, and Morris Hills, and losing to Delbarton, Hanover Park, and Dover. Outstanding performances were registered by linemen Bill Molnar, Bob Purtell, and Carl Macauley. Quarterback Tom Valleau directed the team's split T offense, while Dan Garreta, Chip Smith, and Jan Barber comprised the backfield.

WRESTLING

Colonial wrestlers fought their way through one of the best seasons M.H.S. has ever seen. Coached by the nonpareil Mr. Eisenhart, the grapplers posted a 10-1-1 record including impressive wins over the M.H.S. Alumni, Dover, Roxbury, Morris Hills, Livingston, Hillside, Hanover Park, Columbia, Caldwell, and Hackettstown. Further honors include a tie with rough and tough Washington, third place in the Washington Tournament, second place in

the Jersey Hills Novice Meet, and three district finalists, Al Sica, Wayne Backes, and Gary Wikander. The outcome of the state finalists' competition saw the victory of Heavyweight Gary Wikander as the champion in his class. Sica and Backes were runner's up in the 157 and 167 pound classes respectively, making M.H.S. the third best wrestling team in the State.

Above: The Varsity line-up. (Jim Wilson, who replaced Ed Demers, is missing from the picture.) Right: Coach Eisenhart congratulates heavyweight Gary Wikander after his winning of the State Championship in his weight class

J.V. BASKETBALL

Coach Jack Enterline's hoopsters posted a respectable 10-7 record this season with a starting 5' of comparative youngsters. Among the outstanding performers on the team were Harry Shatel, Billy Bryant, Bill Steacker, Sandy Renna, B. Sisley, Mike Bowerbank, and Dick Crawford. During the course of the year Bowerbank and Sisley were given Varsity berths but the slick was promptly taken up by the able reserves Tom Scott, Art Vignante, Jack Frost and Elliot Metcal. M.H.S. rooters can be assured that next year's team (Varsity, that is) will contain an abundance of new and skilled participants.

SWIMMING

Mr. Caro's tank performers broke even this season with a record of 5 wins and 5 losses. Headed by Captain Robert Koeck, these Colonial swimmers posted impressive victories over Mountain Lakes, West Orange, and Delbarton—a twice defeated team. The season is attributed to the fine action of

seniors Conrad Peterson, Chuck Abert, Dave Cook, Larry Cohen, Alan Dadd, and junior Bob Hackney. The N. J. State meet saw Bob Koeck swim away with two 3rd places while Bob Hackney copped a sixth position.

23 Livingston
25 Chatham

Coach Wicks gives a few pointers to some of his novice tennis players. Captain Chase, Bart Engler, Bill Rubenstein and Tucker Prendergast were missing from the picture.

The Colonial Tennis Team, under the able leadership of Coach Edward Wicks and Captain Dana Chase, hopes to improve upon last year's 6-6 record. Sharing the court with Captain Chase will be Bill Rubenstein, Bart Engler, Tucker Prendergast,

Dick Randall, Allan Slater and Jeffrey Pollock. The "courtsters" opened their season with an impressive 5-0 win over Madison and will attempt to keep up the rapid pace.

CROSS COUNTRY

The Morristown High School Cross Country harriers finished racking up their 7-2 season as the best squad ever to distinguish Burnham Park with their infested, maroon sweatsuits. The "Harriers" were piloted by Mr. Robert Mumford whose excellent

guidance brought the response above mentioned. The merit is also due to the two captains, Everett Lotz and George Klimas, who led the boys grindingly up the steep incline only to scream down once again.

GOLF

The Colonial Golfers at the start of the season were determined to drive and putt their way to victory against the opponents "on the green." Led by the ol' duffer, Mr. Howard Lilly, the squad will try to maintain or better the 8-1 record of last year. However, with only two Senior Lettermen returning, Captain Everett Lotz and Tony Roberti, Coach Lilly hopes John Eck, Tom Muller and Pat Smith will be able to back the forementioned Lettermen.

This year's opponents include: Cranford, Madison, Roxbury, and Livingston. There will be two games with each of the opposing teams and the M.H.S. Golfers plan to enter the State Tournament in May.

This year's Track Team promises to be one of the most superlative squads ever to don the antiquated and aromatic maroon sweat suits. Returning senior lettermen include: Captain Zeke Harris, Henry Tanski, Al Meredith, Bob Tomol, Gary Wikander, Bob Mitschele, Al Mintz, Art Jackson, Jeff Bricker, Walt Morris and Tony Desimone. M.H.S. fans should be sure to watch for Zeke "the streak" Harris attempt to defend his State and County championships in the 100 yard dash and his County

championship in the 200 yard dash. Zeke was State Champ Runner-Up in the 200 yard dash. Furthermore, with the added help of the Senior prospects, Dennis Taylor, Conrad Peterson, Dave Pauer, Chuck Abert, Bob Miller and Dave Cook, plus the "go-power" of underclassmen, Billy Barber, Sam Singleton, George Klimas, Steve Hall, Ronnie Drapper, Tom Reily, Richie Ryan and Tony Cherausko, the Colonials present a strong threat to repeat as Jersey Hills, Morris County and Group III State Champs.

BASEBALL

M.H.S. BASEBALL TEAM (Varsity)

The Colonial Diamond Squad began its second season of operation under the able tutelage of Mr. George Hughes. Returning from last year's team, which won 9 while losing 8, were six lettermen: infielders Don Patterson, Walt Smith, and Harry Shatel; outfielders: Wayne Backes and Dave Goodman; and pitcher Mickey "Bomber" Balint. The schedule of 16 games included home and away encounters with each Jersey Hills Conference opponent, a similar arrangement with Butler, Chatham and Dover, plus the annual season's opener with Summit.

Prospects were high at the beginning of the season for a good record, despite the fact that the Colonials were unable to practice on the new Memorial Field.

BASEBALL SCHEDULE
